Class V

English

Marks 20

Instructions:

- Read the questions thoroughly.

PART - A

I. Read the given passage and answer the following question.

5 x 1 = 5m

Hamelin is an old Town in Germany. Many years ago, it was over run by rats. There were rats in the fields, in the gardens, in people's homes. They ate up the food, killed the cats and bit babies. No one would get rid of them. They made the life of the people of Hamelin miserable.

The Pied Piper offered to help. He told the Mayor, 'I know magic. I can get rid of all the rats in your town'.

The Mayor was delighted. He promised to pay a thousand pieces of gold to the Pied Piper if he took away all the rats from Hamelin.

Answer the following.

- Q.1) Where is Hamelin?
